### TAKE A MOMENT THIS WEEK

To pray for our own Pastor Paul Ogle, his wife Pastor Angelita, the staff and our congregation of Whitefish Foursquare Church.

Please join the community and body of believers as we take a stand and **BREAK THE SILENCE** on Human Trafficking!

On August 6th, 7 pm at "Java Rock" inside the Blue Cow we are coming together in unity as a community and Body of Believers to take a stand and make a difference. Through education, awareness and art we hope to open our eyes to the issue and not be able to shut our mouths.
